“

In cooperation with 2Checkout's Avangate Affiliate Network, I am very pleased to see Glarysoft expand its user base and increase sales. The 2Checkout team used their comprehensive professional skills and flexible creative thinking to organize a successful affiliate marketing event. The Back to School campaign built an efficient communication bridge between us and our affiliates, and significantly improved sales performance. ”

Context & Objectives

Glarysoft is constantly looking for innovative ways to expand their online business across existing or new channels. Since working with the Avangate Affiliate Network, the utility software provider has successfully grown their affiliate community, leading to a boost in revenue generated through this channel.

The Back to School affiliate campaign, which took place August through September 2021, was the perfect opportunity for Glarysoft to expand their affiliate network and increase sales.

Solution & Results

Glarysoft experienced a whopping 70% increase in affiliate sales through the Back to School campaign, compared to the previous period. During the contest, they chose to provide affiliates with a special offer which included a 50% affiliate commission and a 60% discount on selected products.

This promotional plan took Glarysoft's online business to the next level, as the affiliate network now drives 11% of the merchant's overall revenue.
